Short-listed Proposals REEEP 9th Programme Cycle

Short-listed proposals for International/Multiregional:

Project ID	Project name	Implementing Organization
109010409	PPPs to strengthen the Clean Energy SME sector in Africa	Business Creation BV
109010479	Setting up innovative Jute processing BHAGIDARI model through biomass based decentralized electricity system in State of Bihar	The Energy and Resources Institute

Short-listed proposals for South Asia:

Project ID	Project name	Implementing Organization
109010291	Scaling a proven solar franchise model in India	Orb Energy
109010456	Solving Persistent Problems and Scaling Up Solutions to Widespread Household Energy Needs in Eastern Himalaya	ATREE-USA at University of Massachusetts Boston
109010514	CTI PFAN India - Expansion of Dedicated Country Network & Scale-Up of Operations in Southern India	International Center for Environmental Technology Transfer
109010643	Cheap and clean drinking water supply using solar RO system for villages in industrial belt	Saurya EnerTech
109010813	Sustainable Livelihood Promotion through Women managed renewable energy entrepreneurship model at 100 rural villages in 3 states of India	Aga Khan Rural Support Programme India
109080053	Rural Solar Lighting Project for India & Nepal	Green Village Ventures Private Limited
109080159	Harnessing the destructive energy in pine needles	Avani Bio Energy
109080633	Clean Energy and women empowerment through Women-led Energy-Co-operative in Bihar	SELCO Foundation
109080501	Clean water to all: Solar powered water supply in Odisha, India	Gram Vikas

Short-listed proposals for East Asia:

Project ID	Project name	Implementing Organization
109010605	Promoting Improved Biomass Stoves via Carbon Offsetting in Central-Jin-City, China	Global Environmental Institute
109010579	Study on Development Model and Grid Connection Policy of Distributed Power Generation	China Electric Power Research Institute (CEPRI)
109010372	Integrating efficient and cost-effective clean energy recovery into water treatment and sludge disposal in China	Camco China
109030604	Research on the commercial modes and incentive policies of distributed PV generation and micro-grid in China	Xinjiang Electric Power Research Institute
109030246	Designing mechanisms for the carbon market to deliver greater scale in markets for clean technologies in the city of Baoding, China	The Gold Standard Foundation
109030247	Study on Performance Evaluation Indicator System for Integrated Fiscal Incentive Policy Pilots on Energy Efficiency and Emission Reduction	Energy Research Institute of National Development Reform Commission
109030106	Research on the Integrated Solution to Promote Wind Power Accommodation Locally in Jilin Province	Center for Renewable Energy Development(CRED) of ERI
109030495	Research on Scale-up Policy and Business Models on Renewable Energy Building Application in Qingdao	China Architecture Design & Research Group
109030606	Research on new business models for scaling up biomass pellet industry in central breadbasket of China	Faculty of Resource and Environmental Science, Hubei University,
109030781	Facilitating Economies of Scale for Small Hydropower Projects	Guangxi Hydropower Industry Association

Short-listed proposals for South East Asia:

Project ID	Project name	Implementing Organization
109010385	Introduction of Market Based Medium Scale Biogas in Indonesia II	SNV Netherlands Development Organisation
109010671	Scaling up energy efficiency in Tofu and Tempe MSMEs in Indonesia	Mercy Corps Scotland
109010745	Tourism Energy Efficiency Investment Programme (Indonesia)	World Wide Fund for Nature (WWF)
109080207	A Sustainable Business Model to deliver renewable energy to rural villages in Vietnam	World Vision Australia
109080212	Accelerating small hydropower for rural electrification and development in Lao PDR	Ourworld rural development
109080265	Improved biogas business network for clean energy in 3 provinces in Vietnam	ETC Foundation
109080300	Long Term Energy Lending in Indonesia	Village Infrastructure
109080351	Energy Efficiency Policy Recommendations for South East Asia	IEA
109080518	Promotion of electric two-wheelers and solar energy in cities	Caritas Switzerland
109080561	Waste2Energy, Vietnam	OVE - The Danish Organisation for Sustainable Energy
109080756	Indonesian Outer Islands Diesel Displacement	Entura / Hydro Tasmania
109080759	Maximising the use of clean energy sources in improving access to clean water in Vietnam: development of a rapid assessment tool and case study demonstration	CSIRO

Short-listed proposals for Latin America and the Caribbean:

Project ID	Project name	Implementing Organization
109010066	Alternative Energetic Plan for 27 small rural Municipalities	GVC
109010197	Energy efficiency in Artisan Brick production	Swisscontact Peru
109010217	PEEERA	Fundacion CENER-CIEMAT
109010416	Energy Inclusion Initiative in Rural Peru	MicroEnergy International
109010730	Biogas business network for clean energy to the coffee sector in Cauca Valley of Colombia	ETC Foundation
109040025	Decentralised Energy Generation in Peru	Light Up The World
109040027	Scaling Business Models for Distributed Energy in Peru	PowerMundo SAC
109040433	Luciérnaga; Stimulating the Market for Household Solar Energy in Nicaragua	Trees, Water & People
109040945	Promoting Financing Energy Efficiency Models & Energy Efficiency Management in Peru National Hospitals Network towards a National Energy Efficiency Plan in Hospitals	Eclareon Spain

Short-listed proposals for Southern Africa:

Project ID	Project name	Implementing Organization
109010182	Small scale solar PV with storage options in a South African Context	Arup
109010261	Affordable and sustainable small scale solar power stations for 3000 people in Ancuabe, Cabo Delgado Mozambique	Grupo de Saneamento de Bilibiza
109070419	Micro Energy Alliance Program	PlaNet Finance NGO
109070054	Sustainable Electricity Provision at the Municipal Level	Sustainable Energy Africa (SEA)
109070423	Unlocking the Rooftop PV Market in South Africa	Centre for Renewable and Sustainable Energy Studies
109070485	Energy Access Initiative	World Wide Fund, South Africa (WWF South Africa)
109070868	Powering Water Supply in South Africa: Small hydro opportunities on existing infrastructure	Entura / Hydro Tasmania
109070881	Sustainable Settlements Facility NAMA	SouthSouthNorth Africa

Shortlisted proposals for Africa:

Project ID	Project name	Implementing Organization
109000024	Pay As You Go Biogas	Schutter Energy Ltd.
109000043	SunnyMoney Kenya	SolarAid
109000076	Mainstreaming Energy Efficiency Requirements in Building Codes for New Buildings in West African Countries: Benin, Burkina Faso, Côte d'Ivoire, Guinea Bissau, Mali, Niger, Senegal and Togo	Econoler
109000116	SMART OIL - Scale up jatropha model thanks to out-farming. A market ready solution for bioenergy in Ghana.	Smart Oil
109000237	Enterprise Development: Biomass Briquetting Business Model Scale up - Feedstock Supply Chain Development Integrating the Rural Community & Establishment of Large Capacity Plant	Global Supply Solutions Limited
109000327	Full electrification of give community buildings at Nyumbani eco-village	Foundation Energia Sin Fronteras
109000445	Furthering Clean Energy Access Through Pay-As-You-Go Technology	Angaza Design
109000680	Switching From Fuelwood Fired Bakery Ovens To Liquefied Petroleum Gas In The Western Region Of Ghana	SNV Netherlands Development Organisation
109010133	Community-based green energy project	Catholic Agency for Overseas Development (CAFOD)
109010177	Rural Electrification Sub-Saharan Africa	South Pole Carbon Asset Management Ltd
109010341	Commercialization of Fuel Briquettes in Kenya	Practical Action-Eastern Africa Regional Office
109010619	Trilingual train-the-trainers policy toolkit for the ECOWAS Region	ECOWAS Regional Centre for Renewable Energy and Energy Efficiency

Shortlisted proposals for Energy-Food:

Project ID	Project name	Implementing Organization
109000365	Capacity building for Renewable Energy Applications in Agriculture using a Renewable Energy Demonstration Centre	NewEnergy
109010075	CleanStar Ghana: An integrated food, energy and forest protection business	CleanStar Ventures LLC
109010078	Bioceff Farmer Empowerment Project-Kpandu Torkor	Bioce Fuel Farm Ltd
109010138	EE and RE in micro and small enterprises in food productive chains	EDS - Sustenergy
109010164	Financing of solar-powered cold-storage and ice-making facilities for fishing communities in Indonesia	Contained Energy
109010168	Sustainable food production at family farms by mean of renewable energy	Institute for Sustainable Development and Renewable Energy (IDER)
109010223	Enhancement of forest based livelihood opportunities for 15000 marginalised tribal women through Solar processing technology based Micro Enterprise in Odisha, India	Regional Center for Development Cooperation
109010248	Combined rural electrification and food production based on proximity Jatropha commodity chains	Movimento Shalom Onlus
109010442	Enabling integrated and effective energy management in food processing Latin American SME	Fundacion Centro de Gestion Tecnologica e Informatica Industrial (CEGESTI)
109010527	Sustainable Energy for Economic Development (SEED)	RONGEAD
109010699	Sunflower Solar Pump	Sunflower Pump Ltd
109010774	Improve energy efficiency of facilities agriculture in China	Tongji University
109010726	Rural empowerment program by introducing new business model for food processing by utilizing solar energy	Cooperativa de Trabalho e Educacao dos Profissionais de Informatica e Servicos. Tecnicos Multiprofissionais Ltda (COONAT)

Shortlisted proposals for Energy Data:

Project ID	Project name	Implementing Organization
109000898	Supporting Renewable Energy projects planning and implementation in West Africa	Innovation Energie Developpement
109010810	Building a reliable energy access database for sustainable energy expansion in Ghana	The Energy Center
109070656	Municipal energy management public information and data system	Sustainable Energy Africa (SEA)
109080770	Benchmarking Energy Performance of Buildings in India	The Weidt Group
109080852	Developing energy database and benchmarking energy consumption of selected energy intensive SME clusters in Western India	The Energy and Resources Institute

Shortlisted proposals for Communication:

Project ID	Project name	Implementing Organization
109000537	Innovation and Entrepreneurship for Rural Electrification in Eastern Africa	Worldwatch Institute
109010145	Plan on Building Energy Monitoring Platform on Chinese industrial enterprises	The Information Centre of Ministry of Industry and Information Technology (IC-MIIT)
109010657	Promotion of energy efficient building construction in Vietnam via collaboration platform and media channels	consortium Vietnam Green Building Council/ Swisscontact Germany
109010897	Haryali	Grassroot Trading Network for Women
